Solid performance in the toughest conditions.

Built to take heavy use and abuse, the powerful JM-3000 is great for clearing large lines and long runs. A heavy duty 3000 psi, 4 gpm triplex pump with Vibra-pulse® on demand is driven by a reliable 389 cc Honda engine with electric start through a 2 to 1 gear reducer to extend the life of the pump.

The JM-3000 is well balanced for easy handling. With little effort, you can tip the machine back on its rear wheels to more easily maneuver it into position.

A removable 300 ft. capacity hose reel with drag brake, reel lock, and swivel is mounted on the heavy duty frame with four 13” flat-free foam core tires. A wheel brake keeps the machine solidly positioned on the job.

Standard safety features include a thermal relief valve to protect the pump from heat damage, along with a back flow check valve and inlet filter. Complete with tool box and spray wand with trigger.

JM-3000 Specifications:
- **Pump:** Triplex w/Vibra-pulse®
- **Pressure:** 3000 psi
- **Flow:** 4 gpm
- **Engine:** 389 cc w/Low oil shut off, electric start, and gear reducer
- **Hose Reel:** Removable, swivel, drag brake, and reel lock, 300 ft. x 3/8” hose capacity
- **Weight:** 291 lbs. (132 kg)
- **Dimensions:** 43” L x 29” W x 49” H (109 cm x 74 cm x 124 cm)
