The Mini-Rooter clears lines from rooftop to basement, including kitchen, bath and laundry. With 50 ft. of 1/2” cable, it weighs just 60 lbs.

This inexpensive, easy-to-use machine has lots of time-saving features. For instance, you can remove the cage in seconds for more portability or to switch to a different cable diameter – with no mess or lost time. Safety features include an air foot switch, ground fault circuit interrupter, and a safety slip clutch. An integral inner drum and distributor tube spring help prevent cable tangling under load.

**Specifications:**

- **Weight:** 43 lbs. without cable (19.5 kg).
- **Cage Capacity:** 75 ft. of 3/8” or 50 ft. of 1/2” Flexicore Cable.
- **Motor:** 1/3 hp, thermal overload protection, Forward/Off/Reverse Switch.
- **Safety Slip Clutch:** Protects cable and operator.
- **Flexicore Cable:** Heavy gauge wire coiled tightly around 49-strand aircraft-type wire rope and heat treated.

**Foot Pedal:**
Uses air pressure, so there’s no electrical contact between pedal and motor.

**Power Cord:**
10 ft., 3-wire; equipped with ground fault circuit interrupter.

**Leather Gloves:**
With double-reinforced palm, for hand protection when guiding cable.

**Cutter Set:**
Arrow Head, 1-1/2” U-Cutter, 2” Side Cutters and Boring Gimlet. Others available.

**Instructional Video included.**
