

Mini-Rooter Pro[®]

Now with Wheels and Folding Handle

The Mini-Rooter Pro clears drains from rooftop to basement, including kitchen, bath, and laundry drains. And it's portable too: Built-in wheels make it easier for you to transport the Pro to and from the job, and the folding handle allows for compact storage in your truck.

This inexpensive, lightweight machine has lots of time-saving features. For instance, you can remove the drum in seconds for more portability or to switch to a different diameter cable – with no mess and no lost time. A distributor tube inside the drum allows you to feed cable in and out without chucking and releasing the cable every few feet – so you finish quicker. An optional Power Cable Feed drives and retracts the cable at up to 16 feet per minute.

The drum easily carries up to 75 ft. of 3/8" cable to clear 2" to 3" lines, or 50 ft. of 1/2" cable for heavier work in 4" lines. For small drain work, you can order your Mini-Rooter Pro with a J-Drum for handling smaller, more flexible cables.

Some Mini-Rooter Pro safety features: A foot pedal that uses air pressure to start and stop the machines, with no electrical wiring between the pedal and motor, a ground fault circuit interrupter, and a high impact plastic guard covering the motor pulley.

Flexicore[®] Cable **Wire Rope Center Construction**

Heavy-gauge wire coiled tightly around 49-strand aircraft-type wire rope and heat treated. Has unequalled strength and the right amount of flexibility. So tough it carries a one-year warranty against defect or breakage.

Flexicore Patent Nos. 2,244,735 and 2,849,870

Power Cable Feed

A variable speed Power Cable Feed (optional) drives and retracts the cable at up to 16 feet per minute. Quickly adjusts between 3/8" and 1/2" cables without the need for tools or additional parts. Swings out of the way to make drum changing as easy as ever. For smoother performance, switch to the XP drum with inner drum cage.

Catalog Number PO-MR

J-Drum

With a J-Drum, you're ready for small drain work in seconds. Equipped with a Quick-Grip™ chuck with tightening handle. Will hold any Super-Vee cable.

Catalog Number MR-250

Built-in Dolly

Six inch semi-pneumatic wheels roll easily over rough terrain to and from the job.

Removable Drum

You can take the drum off the Mini-Rooter Pro.

Folding Handle

The handle is tall enough to make it easy to roll to the job, yet it can be quickly folded to take up less room in your truck.

Specifications:

Weight:

43 lbs. (19.5 kg) without cable.

Dimensions:

20" D x 16" W x 38" H.
(20" H with handle folded).
(51 cm x 41 cm x 46 – 51 cm).

Drum:

Capacity of 75 ft. of 3/8" or 50 ft. of 1/2" Flexicore wire rope center cable. Integral distributor tube. Quickly removable from frame.

J-Drum:

Capacity of 50 ft. of 1/4" or 5/16" Flexicore cable.

Cutter Set: See page 30.

Motor:

1/3 hp, with forward-off-reverse switch, spring-loaded mounting for proper belt tension.

Load Speed:

165 rpm.

Belt Guard:

High impact plastic.

Power Cable Feed

(Optional) Drives 1/2" and 3/8" cables. For smoother performance, switch to the XP drum with inner drum cage.

Foot Pedal:

Leaves operator's hands free to control cable. Uses air pressure, so there's no electrical contact between pedal and motor.

Power Cord:

10 ft. 3-wire vinyl covered with molded plug. In-line Ground Fault Circuit Interrupter.

Leather Gloves:

With double-reinforced palm, for hand protection when guiding cable.
