

## JM-1000 PARTS LIST

Note: Parts shown indented beneath another part are included with the item they are listed under.

| ITEM NO. | DESCRIPTION                                                | ITEM NO. | DESCRIPTION                                           |
|----------|------------------------------------------------------------|----------|-------------------------------------------------------|
| 181260   | 25' Supply Hose w/ Shut Off Valve (Obsolete, order 181261) | 181320   | Cage Nut                                              |
| 181262   | 25' Supply Hose (Obsolete, order 181261)                   | 181340   | Pan Head Screw                                        |
| 181255   | Shut Off Valve w/ Garden Hose Thread                       | 181350   | Weld Nut                                              |
| 181261   | 10' Braided Stainless Supply Hose Assembly Complete        | 181360   | Flat Head Screw                                       |
| 181266   | 10' Braided Stainless Supply Hose                          | 181390   | Motor Cover                                           |
| 181267   | 90° Elbow w/ O-Ring                                        | 181400   | Speed Nut                                             |
| 181268   | Shut Off Valve w/ 3/8 Compression Fittings                 | 181420   | Foam Rubber Duct                                      |
| 181269   | Inlet Adapter w/ Screen Washer (3/8 Compression to GHT)    | 181540   | Tool Box Assembly                                     |
| 181250   | Universal Faucet Adapter w/ Hose Clamp (Discontinued)      | 181330   | Round Head Phillips Screw                             |
| 181245   | Threaded Faucet Adapter                                    | 181470   | Rubber Feet                                           |
| 181280   | Brass Inlet Adapter w/ Screen & O-Ring                     | 181480   | Lock Nut                                              |
| 181550   | O-Ring                                                     | 181560   | Ground Screw & Nut                                    |
| 181275   | Rocker Switch                                              | 181570   | Rubber Grommets for Motor Cover                       |
| 181270   | 20' GFI                                                    | 181580   | Set of Safety Decals                                  |
| 181300   | 110V Pump & Motor Combo                                    | 181265   | Twist Connect                                         |
| 181305   | 220V Pump & Motor Combo                                    | 176350   | Rubber Gloves                                         |
| 181430   | Corrugated Wrap                                            | 176340   | Nozzle Cleaning Tool                                  |
| 181530   | Flat Washers (4)                                           | 176500   | 1/8" Nozzle Set (Includes JN-1, 2, 3, JN-SL-1)        |
| 181520   | Vibration Mounts (2)                                       | 176177   | 1/8" Down Head Nozzle                                 |
| 181310   | Rear Motor Mount Pump Bracket                              | 176107   | (30JH00) 30' x 1/8" ID Thermoplastic Fiber Braid Hose |
| 181330   | Round Head Phillips Screw                                  | 176105   | (50JH00) 50' x 1/8" ID Thermoplastic Fiber Braid Hose |
| 181490   | Rubber Push in Bumper                                      | 175970   | (30JN0S) 30' x 3/16" ID Stainless Steel Braid Hose    |
|          |                                                            | 175980   | (50JH0S) 50' x 3/16" ID Stainless Steel Braid Hose    |
